Yukon Divisional Race Calendar Guiding Principles

Last update: September 2026

1. What is new in season 2026/27

- CCY will list races and events from CCY member and non-member organizations. The digital race calendar (Race Calendar – Cross Country Yukon) will show whether an event is put on by a member or non-member organization. CCY does not take any responsibility for any event hosted by an organization other than CCY.
- The terms “affiliate” and “non-affiliate” were replaced with “member” and “non-member”.

- As always, we want to hear your feedback! Let us know if you have any thoughts, comments, suggestions or questions around the race calendar guidelines. You can reach us at ccyeventsandtech@gmail.com.

2. What guides the Yukon Divisional Race Calendar?

- **CCY will be working with member and non-member clubs to optimize opportunities for all Yukon skiers and for all clubs hosting the events.**
- Clubs are responsible for selecting the date of their club races. CCY will select the race date for the **Yukon Championship** and **Arctic Winter Games trials** (when applicable).
- CCY will provide information about which tier 1 and 2 races **outside of Yuko**n will be attended by Yukon’s high-performance/ squad athletes.
- CCY has set **timelines** for publishing the divisional race calendar (for details see below):
    - September: 1st publication
    - October: 2nd publication

    - Ongoing: further club race dates are added as they become available throughout the season.

- This document will be updated prior to each race season.

- **Divisional race goals roadmap:** As CCY will establish roadmap goals for Yukon divisional races, those goals will further guide the race calendar.

3. Yukon Divisional Race Calendar: Process & Timeline

Prior to September/ 1st publication

- **Tier 1 & 2 races outside Yukon:** The Yukon divisional race calendar will be developed after the FIS calendar for **international races** and Nordiq Canada's calendar for **national races** has been published.

- **Tier 1 & 2 race selection:** The head coach of CCY's high-performance ski program selects the races to be attended by Yukon's high-performance athletes. This information is provided through the race calendar.

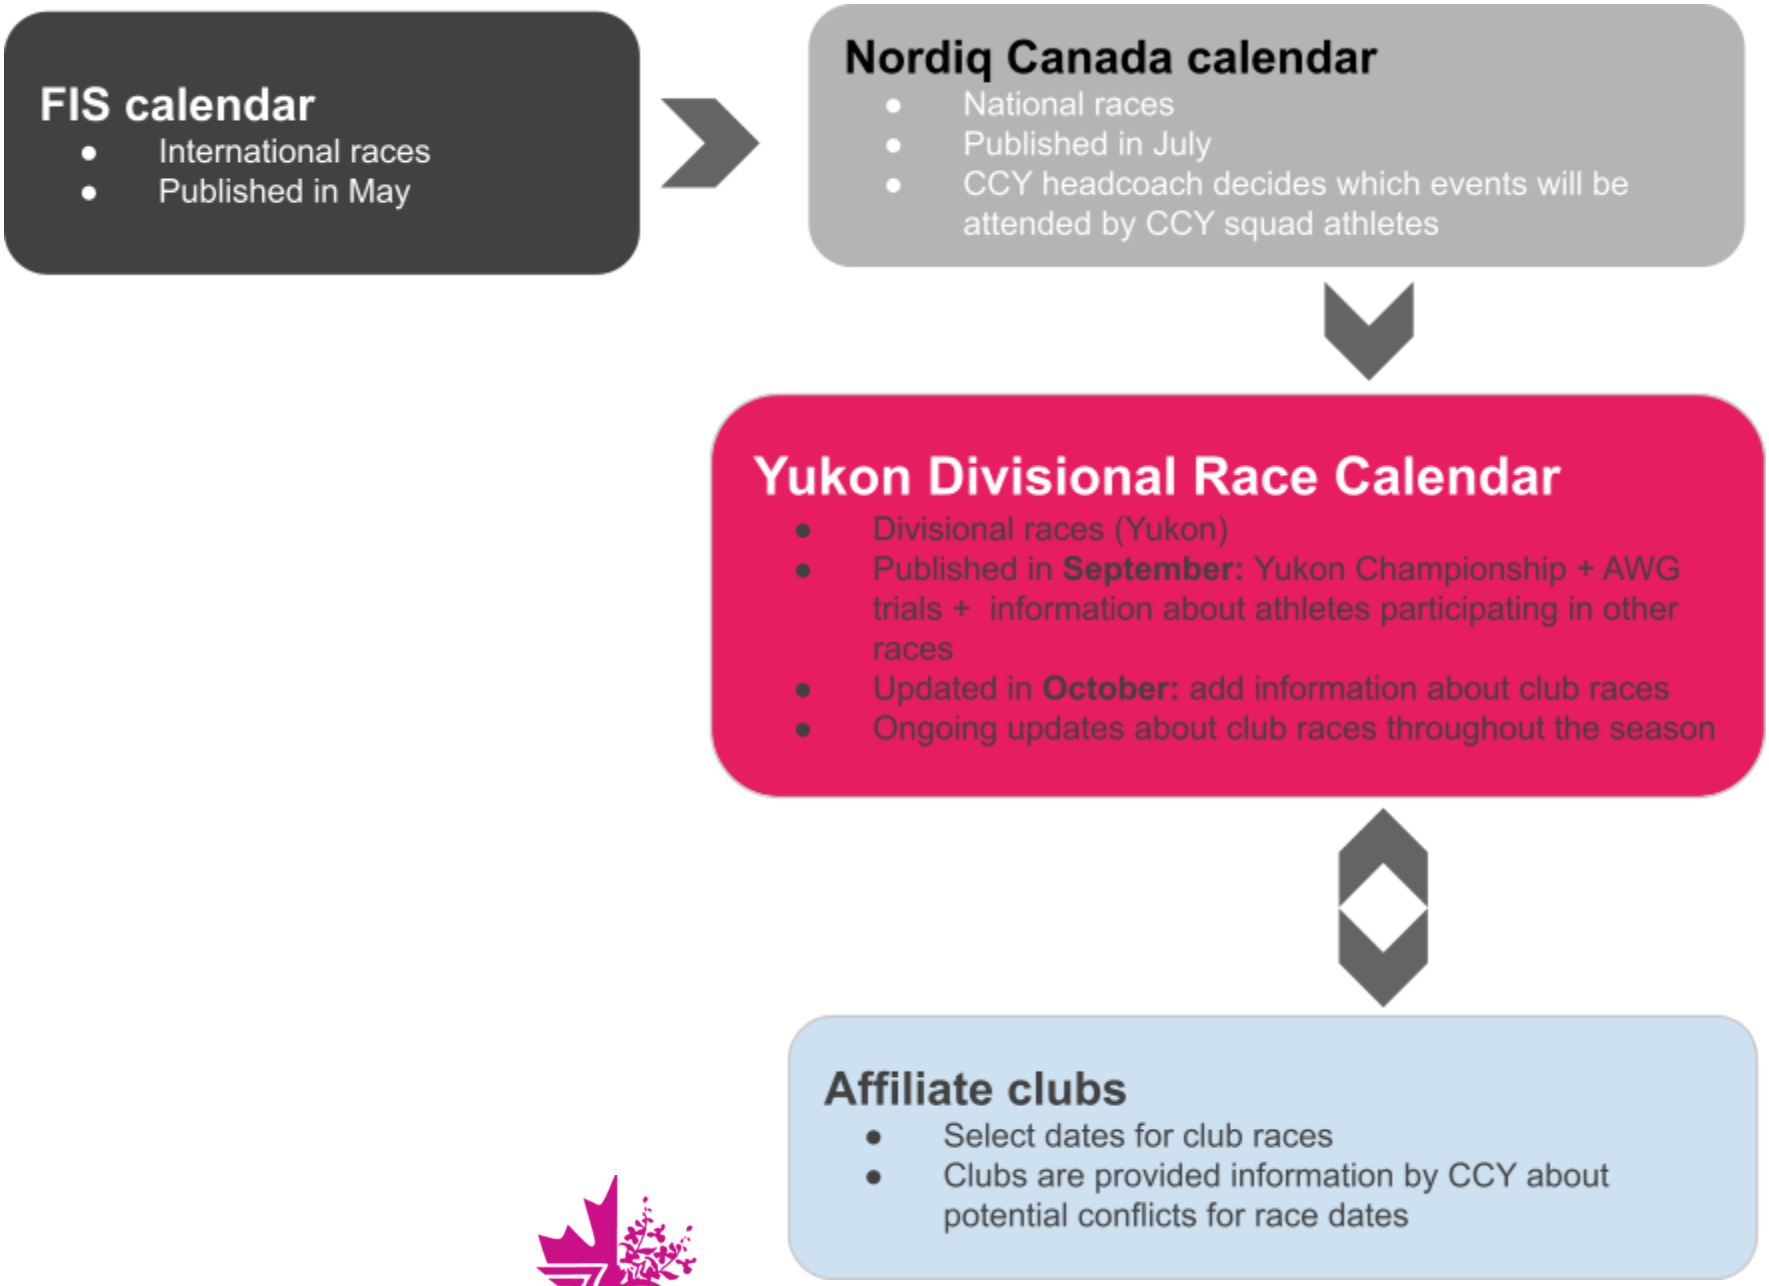

1st publication: September

- When: CCY will publish the divisional race calendar in September, with the following information:
- What:
    - Yukon Championship race date
    - Information about races with potential participation of Yukon high-performance/ squad athletes.
- Where: The race calendar will be published on the CCY website.

2nd publication and ongoing updates: October & ongoing

- What: Member and non-member clubs will select race dates for their club races, in consultation with CCY. Through the race calendar, clubs will have information about potential conflicts for selected race dates.

- CCY will also consult with Biathlon Yukon in an effort to minimize race conflicts between the two sports.
- When: CCY will publish race dates for club races in October. Further updates will be made throughout the year, as more race dates become available.
- Where: The race calendar will be published on the CCY website.
